

Boxis Autoshred R510 Cross-Cut Shredder

A new method for Banks to shred checks and deposit slips

Destroy 1000 bank checks or deposit slips or similar in 4 easy steps.

For More Info

Click Here --->

1. Insert first stack of 500 bank checks into hopper

2. Insert second stack of 500 bank checks into hopper

3. Close Feeder Doors

4. Enter a 4-Digit Locking Code and Walk Away. Checks are destroyed securely, the shredder is unlocked and the locking code is erased. The shredder is now ready for the next job.
