GoECO™
ENERGY-SAVING TECHNOLOGY

Prevents power drain (phantom load) when your shredder is not in use. Saves energy! Saves money!

CERTIFIED CARBONFREE®*

*To meet the rigorous standards of the CarbonFree® Product Certification Program, GoECOlife™ assessed the carbon footprint of this product throughout its lifecycle and offset the carbon footprint of the product through investments in renewable energy and reforestation.

RoHS COMPLIANT
(Restriction of Hazardous Substances)

Meets RoHS standards that restrict the use of hazardous substances such as lead, mercury and other heavy metals.

GREEN PACKAGING

Recycled (or partially recycled) and/or biodegradable materials were used for packaging and printed materials. No styrofoam, plastic tape or plastic bags were used to package this product. Less trees were sacrificed to package your shredder!
